

CRAFT-OA: Creating a Robust Accessible Federated Technology for Open Access

Thursday, 11 April 2024 16:10 (20 minutes)

This poster will introduce a CRAFT-OA Horizon Europe project designed to enhance accessibility to cutting-edge Diamond publishing for international stakeholders. Commencing in January 2023, the project endeavors to assist publishers by enhancing the technical and organizational infrastructure of Diamond Open Access. The poster will highlight the project's achievements, including the development of technical standards, gap analyses, and proposed training initiatives derived from these analyses.

Presenter: Dr UMERLE, Tomasz (IBL-PAN)

Session Classification: Poster Session
